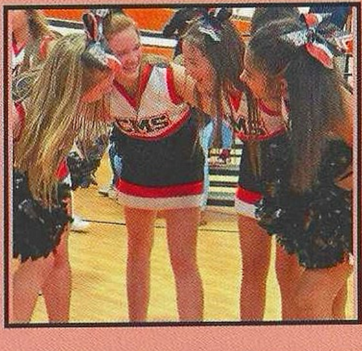
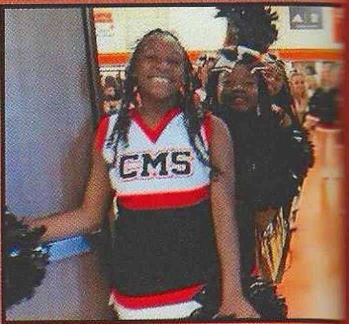
A Tradition of Excellence

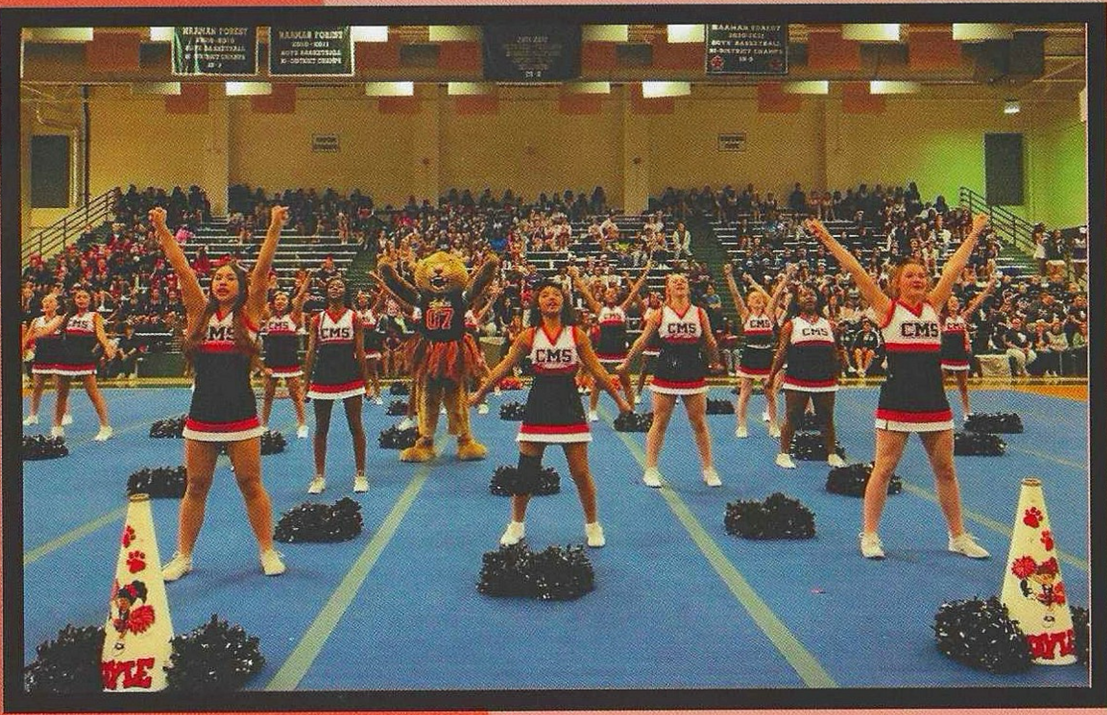




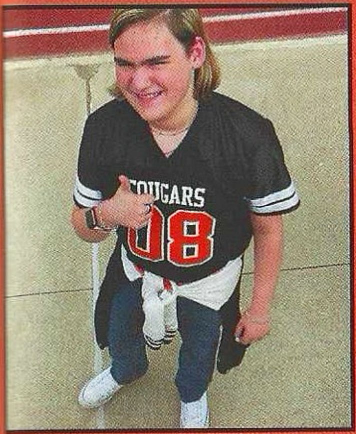
WHAT DOES IT MEAN TO BE A COUGAR CHEERLEADER!?

"Being a Coyle cheerleader is being a leader. It's an experience of fun, family, and friendship. I've learned how to be responsible, accountable, and a better person."
- Mia Clark, 8th Grade Cheerleader
2024 Leadership Award Recipient

"Being a Cougar cheerleader is about leadership. I personally loved all the love and support we had from other students and teachers. I've learned a lot from cheering at Coyle but most of all just having fun and showing kindness is the best part."
-Zsa Zsa Clark
7th Grade Head Cheerleader



GISD Cheer Classic Competition



DEDICATION, DETERMINATION, & PRIDE

"To be a Cougar cheerleader means hard work! To me, it's a boost of encouragement to be able to have fun with your new family. We learn how to work together, and your cheer team members will become your family."
-Kinslie Weis
7th Grade Head Cheerleader

"Participating in Cheer has blessed me with many unforgettable memories and opportunities as an athlete. From watching the football team play to performing and screaming my heart out, as I expressed the passion I have for this sport and my team, I experienced amazing moments in my life. I am extremely grateful for the two years I have spent, promoting my school spirit and demonstrating athletic leadership as a Coyle Middle School cheerleader."

The Cougar band is rocking! This past year they scored excellent ratings at UIL in both performance and sightreading! Many of our incredible 6-8th graders scored first division ratings at the district solo contest and ensemble contest. Coyle band traveled to a waterpark contest, surrounding elementary schools and had the opportunity to play with the Mighty Eagle band at a varsity football game! What an incredible year for our band students!
